**RE: INCORPORATION OF IN-SITU PROCEDURES INTO THE SCQ**

Dear Mr. Reising:

This letter closes the administrative paper trail opened in your letter DOE-0697-99. In that letter you requested Ohio EPA approval to delete the Real Time Instrumentation Measurement Program Q A Plan and the In-Situ Gamma Spectroscopy QC Procedure (ADM-16) from the SCQ Addendum. In addition, you requested that the Appendix H of the SCQ Addendum be incorporated into Appendix H of the SCQ. This letter formalizes the approval that we verbally made during the April 13, 1999 meeting of the Real Time Technical Work Group meeting

If you have any questions, please contact Tom Ontko or me.

Sincerely,

Thomas A. Schneider
